5. Always sanitize before touching yourself

Don't touch your mouth, nose, and eyes with your hands.

An illustration of two hands being washed with soap suds. The hands are a light orange color, and the soap suds are white and bubbly. The background is a solid teal color. The hands are positioned in the center of the frame, with the fingers spread and the palms facing each other.

6. wash your hands often

When you go to the toilet wear a face mask and disinfect your hands.

A top-down view of a wooden desk cluttered with various school supplies. On the left, there is a large stack of colorful pencils in shades of pink, purple, yellow, green, and blue. In the center, a blue pencil sharpener sits next to a green paperclip and a yellow paperclip. To the right, a blue spiral-bound notebook is open, showing lined pages. Below the notebook, a yellow pencil and a black pen are visible. In the bottom right corner, a portion of a silver calculator is shown with buttons for '0', '1', '2', '3', '4', '5', '6', '7', '8', '9', 'MRC', and 'M-'. On the left side, there are several pairs of scissors with colorful handles (pink, blue, yellow). A blue pen with a silver chain is also visible. The overall scene is a typical school desk setup.
